

How Oakwood Delivers the Gatsby Benchmarks

1. A Stable careers programme

We do this through an individualised curriculum that helps you prepare for adulthood, work and your future.

2. Learning from career and labour market information

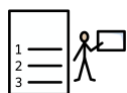

We do this by helping you understand your future options and make choices about what comes next.

3

3. Addressing the needs of each learner

We recognise that everyone is different and provide careers support that meets your individual needs, strengths and future goals.

4. Linking curriculum learning to careers

We help you connect your learning to future jobs, opportunities and life beyond college.

5. Encounters with employers and employees

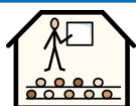

We do this by talking to employers and employees about jobs, skills and work.

6. Experiences of workplaces

We do this by offering work experience, both internally at the college and with external employers

7. Encounters with further and higher education

We do this by offering visits to and from education and training providers

8. Personal guidance

We do this by offering 1:1 careers advice and guidance meetings
